CAN I WITHDRAW MY FUNDS?

When Piston-Token launches you can withdraw your funds for up to 7 days. You will however pay a fee and no gains will be made. You get your initial dollar value back. race is over. back to start...

SO HOW DO I MAKE MORE MONEY?

The key is to invest and compound.

WHAT REWARDS DO I GET?

If you invest 10 piston tokens, you are able to compound until you reach 50 piston. then you are able to withdraw 1% daily until you reach 365% (182.5 piston)

WHAT ARE THE TAXES?

The taxes are explained very well in the [White Paper](#) (page 5)

SO IF I INVEST 1000 PISTONS HOW LONG TO GET TO 5000 TOKENS?

About 167 days if you compound daily.

SO WHATS THE BEST STRATEGY TO COMPOUND AND TAKE PROFIT?

I will be creating a strategy document shortly. But remember compound more than you take profit is essential. Personally taking out my investment and getting some profit is also essential. Nothing in this world is guaranteed.
